DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Claims 2-5, 9-12, 15-17 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest receiving operation comprising reviewing contents of the source data to identify individual data objects therein, and also reviewing any aggregation data objects in the source data to identify all constituent data objects thereof, wherein the applying and forming operations are performed separately for each data object whether in individual or aggregated form, as detailed in independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
